

MINI-MATHEMATICS TRAINING AND TALENT SEARCH PROGRAMME
FUNDED BY: NATIONAL BOARD FOR HIGHER MATHEMATICS

ORGANIZED BY: RANI CHANNAMMA UNIVERSITY, BELAGAVI (KARNATAKA)

NOVEMBER 23–28, 2015

Website: <http://www.mtts.org.in/>; <http://www.rcub.ac.in/>

BACKGROUND

Mathematics training and talent search (MTTS) programme is one of the most popular and significant summer training programme in India. The programme has been running since 1993 and has made an impressive impact on mathematical scene in the country. We receive a large number of application forms from all parts of the country, but due to limitation of resources and seats, lot of deserving students do not get a chance to participate in main camps of the MTTS. In order to provide opportunities to a large number of students at regional levels, a mini-MTTS programme has been initiated and which runs on the same line of the main MTTS.

AIMS

The aim of the programme is to expose bright young students to the excitement of doing mathematics, to promote independent mathematical thinking and to prepare them for higher aspects of mathematics.

ACADEMIC PROGRAMMES

There will be courses in Foundations, Linear Algebra, Real Analysis and Number Theory/Combinatorics.

The faculty will be active mathematicians from various leading institutions with a commitment to teaching. The aim of the instructions is not to give routine lectures but to stimulate the participants to think and discover mathematical results.
