

Initiation to Mathematics 2012, Kerala April 30 – May 12, 2012

Department of Mathematics
Government College, Ambalapuzha, Alappuzha

Funded by NBHM

A two-week long workshop is being organized in basic mathematics for 2nd year/4th semester B.Sc. / Integrated M.Sc. students pursuing science discipline with Mathematics as one of their subjects of study. The topics which would be discussed are Number Theory, Foundations of Set Theory, Real Analysis, and Algebra.

As the workshop would run on the solid academic support of the prestigious *Mathematics Training and Talent Search (MTTS) programme*, it would take up and implement the meticulous teaching methodology of MTTS.

The workshop is set to welcome bright young minds to celebrate the excitement of mathematics and provide them an opportunity to realize it through interaction with dedicated and experienced minds in the field.

With all reverence we dedicate this workshop in the National Mathematical Year 2012 as a salute to the great prodigy Srinivasa Ramanujan.

यथा शिखा मयूराणाम् नागानां मणयो यथा ।
तथा वेदांगशास्त्राणाम् गणितं मूर्धनि स्थितं ॥ *

*Sanskrit verse dating back to the pre-Christian era

As is the crest on the heads of peacocks, as is the gem on the hoods of cobras; so is mathematics at the top of all sciences.

Welcome to share the illumination of the Queen of Sciences
