

Mini-MTTS Programme 2012

August 27-September 1, 2012

Department of Mathematics, Manipur University, Canchipur

A one week Mini Mathematics Training and Talent Search programme is being organized during August 27 to September 1, 2012 at the Department of Mathematics, Manipur University with the funding of National Board of Higher Mathematics, Govt of India.

The program is targeted to students currently in 2nd year/3rd Semester of BSc/BA/BE/B.Tech students having Mathematics as one of the compulsory papers. The topics which will be discussed in the program are Number Theory, Foundations of Set Theory, Real Analysis, and Linear Algebra. The program would run on the solid academic support of the prestigious Mathematics Training and Talent Search (MTTS) programme and it would take up and implement the meticulous teaching methodology of MTTS.

The Mini-MTTS Program is being held in Manipur with the initiative of Director MTTS Program to provide an opportunity to Mathematics students in the North Eastern Region, in particular, in the state of Manipur, for imparting training in some basics of mathematics. It also aims to nurture the talented students of Mathematics.

The participants will be paid sleeper class/2nd class train fare/ bus fare by the shortest route and will be provided free board and lodging during the duration of the programme.

- **Important Dates**

Issue of Application	: June 25, 2012
Last date of receiving application	: July 20, 2012
Announcement of list of selected students	: August 5, 2012
Duration of camp	: Aug 27 to Sept. 1, 2012

- **Venue**

Department of Mathematics, Manipur University, Canchipur

- **How to Apply**

Application form can be had from the office of the Convenor, Department of Mathematics, M.U., Canchipur (mranjitmu@rediffmail.com)

- **Maximum of Number of participants to be selected : 40(forty)**

- **Speakers**

1. **Shanta Laishram**, Indian Statistical Institute, New Delhi
2. **K Srinivas**, Institute of Mathematical Sciences, Chennai
3. **Ajit Kumar**, Institute of Chemical Technology, Mumbai

The participants will be provided free fooding and lodging. They are to be reported to the office of the convenor during 1400 to 1700hrs on August 26, 2012. They are likely to be accommodated in the University Guests House.
