ORGANIZED BY : YADAVA COLLEGE, MADURAI, TAMIL NADU.

Government of India

National Board for Higher Mathematics

28th November - 3rd December 2016

Introduction :

The Mathematics Training & Talent Search (MTTS) Programme is one of the most popular and significant training programmes for the undergraduate/ postgraduate students in India. It has been running since 1993 and has made an impressive impact on the scenario of Mathematics in India. For participating in the programme, the organizers of this programme receive a large number of applications from students from all parts of the country. However, due to limitation of resources and seats, a large number of deserving students do not get chance to participate in the main camp of the MTTTS programme. In order to cater to a larger number of students at regional levels, mini - mttts programme has been initiated which runs on the same line of the main MTTTS programme. The aim of this programme is to promote Mathematical thinking and expose young minds to the excitement of doing Mathematics.
